

## **Fight Fraud with FEAT!**

The VGM Group, Inc. is happy to announce the launch of a new Web site for the Fraud Eradication Advisory Team (FEAT), which was formed in conjunction with a group of industry stakeholders as an effort to maintain an ethical society within the Home Healthcare industry.

FEAT operates as a sounding board for all stakeholders including state associations, advocacy groups, manufacturers, providers, and beneficiaries to assist the Centers for Medicare and Medicaid Services (CMS) in fighting fraud and abuse. To aid in this fight, the FEAT Web site offers an electronic, user-friendly reporting tool to convey information about suspected fraud or abuse of the Medicare program.

More information about FEAT may be found on the site at [www.mymedicarefraudreporting.com](http://www.mymedicarefraudreporting.com).
