

2018 DURABLE MEDICAL EQUIPMENT DELIVERY COST

Durable medical equipment (DME) suppliers, many of them being small businesses, are being forced to close their doors due to reimbursement cuts. This survey of nearly 200 independent DME suppliers demonstrates the real cost of providing equipment such as oxygen, hospital beds, mobility equipment, and more to patients' homes.

Southwest Region (AZ, NM, OK, TX)

2018 Reimbursement Rates - "100% Adjusted Fee Schedule" - National Average Per Month

E1390 - Oxygen Concentrator - \$69.90

E0250 - Hospital Bed - \$59.43
